NOTE 1 – ORGANIZATION

CRY-Child Rights and You America, Inc. (the Organization) was established in November 2002 as a Delaware Corporation, and is a not-for-profit organized under Section 501(c)(3) of the United States Tax Code. The mission of the Organization is to raise funds for and public awareness of the problems that face underprivileged children, with emphasis on children living in India.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The Organization maintains its records on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. Revenue is recognized as it is earned rather than received and expenses are recognized when the obligation is incurred.

Net assets are broken down into three specific categories as follows:

Unrestricted Net Assets – All contributions are considered to be available for unrestricted use unless specifically restricted by the donor or by law.

Temporarily Restricted Net Assets – Assets resulting from contributions whose use by the Organization is limited by donor/grantor imposed restrictions that either expire by the passage of time or can be fulfilled by actions of the Organization. Once these restrictions expire, temporarily restricted net assets are reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets – Assets resulting from an endowment to be held in perpetuity. Investment income earned on this endowment is temporarily restricted for programs.

B. Use of Estimates

The preparation of financial statements in accordance with the accrual method of accounting requires the use of estimates that affect reported amounts of sources and uses of funds and related disclosures. Actual amounts could differ from those estimates.

C. Cash Equivalents

Cash and cash equivalents consist of cash on deposit with financial institutions and other debt securities that are readily convertible into cash and purchased with original maturities of three months or less.

E. Fixed Assets and Depreciation

Fixed assets are stated at cost. When assets are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in income for the period. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. Depreciation is provided for using straight-line and accelerated methods over the following estimated useful lives:

Equipment	5 years
-----------	---------

Office Equipment	\$ 5,654
Less Accumulated Depreciation	<u>(5,654)</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Organization to report information regarding its exposure to various tax positions taken by the Organization. The Organization has determined whether any tax positions have met the recognition threshold and has measured the Organization's exposure to those tax positions. Management believes that the Organization has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Organization are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.
